#### Part B - Organization - Control and Level

##### 1. What is your institutional control or affiliation?

Be sure to select the correct control for your institution. Errors on this question have an impact throughout the IPEDS surveys, in federal reporting, in net price groupings, and on your institutions appearance to students. If you reported incorrectly in a previous year, please contact the Help Desk at 877.225.2568 to correct the error.

##### 2. What award levels are offered by your institution? [Check all that apply]

When reporting award levels for sub baccalaureate certificates (levels 1, 2, and 4), **determine program length by the number of credit or contact hours**, NOT the academic year length in parentheses. The academic year length is meant only to provide context.

The 'Other' award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the 'Other' category.

**Part B - Organization - Calendar System**

Your response to the next question determines how your institution reports Institutional Characteristics student charges data in the fall, Student Financial Aid data in the spring, and Graduation Rates data in the spring. It also impacts the net price calculation in the Student Financial Aid survey.

If the calendar system differs from prior year or requires a change, please contact the Help Desk at 877.225.2568.

**3. What is the predominant calendar system at the institution? [Choose one]**

**Standard academic terms**

Checking **Semester, Quarter, Trimester, or 4-1-4** determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FALL COHORT and student charges data for a full ACADEMIC YEAR.

Checking **Other academic calendar** determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FULL YEAR COHORT and student charges data for a full ACADEMIC YEAR.

- Semester
- Quarter
- Trimester
- 4-1-4 or similar plan
- Other academic calendar

**Other calendar system**

Checking one of the following determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FULL YEAR COHORT and student charges data by the full length of each reported PROGRAM.

- Differs by program
- Continuous basis (every 2 weeks, monthly, or other period)

**Part B - Organization - Student Enrollment**

**4. Does your institution enroll any of the following types of students?**

Include all levels offered by your institution, even if there are no students currently enrolled at that level.

Responses to this question determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the spring collection. Additionally, checking Yes for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report cost (price) of attendance data (on the IC survey) and Student Financial Aid data (in the spring collection) for these students.

**6. For Fall 2005, did your institution have any full-time first-time degree/certificate-seeking students enrolled in programs at the baccalaureate level or below?**

If you answer Yes to this question, you will be required to provide Graduation Rates data for the 2005-06 cohort in the spring collection. If you answer No to this question, indicate the reason you are not required to report Graduation Rates for the cohort year requested.

If you reported any full-time, first-time degree/certificate-seeking undergraduates on the 2005-06 Enrollment survey, the data will be preloaded below.

- No
  - This institution did not enroll full-time, first-time (undergraduate) students.

Institutional Characteristics Header Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2012.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568.

Estimates should be based on the definitions used in the IPEDS Fall Enrollment component submitted during the spring collection (for academic institutions report an estimate of the students that are/will be enrolled as of October 15, 2011; for program reporter institutions report an estimate of students enrolled in your institution at any time between August 1 and October 31, 2011). Please talk to your financial aid office to get these numbers, to ensure that you are reporting correct numbers.

Leave items that do not apply blank and the system will fill in as "not applicable" or indicate that more information is needed. For example, if your institution was not open in 2008-09, leave those cells blank and call the Help Desk to override any errors. DO NOT attempt to overcome the errors by entering false data.

If the 2011-12 tuition and/or fees for entering students are covered by a tuition guarantee program, check the applicable box(es) under 'Tuition Guarantee'. Additionally, if the guarantee is not for a 0% increase, please indicate the maximum % increase guarantee. These numbers are expected to be fairly small.
