

CLUB FUNDED ACCOUNT TREASURER'S PROCEDURES

Club accounts are funded from fundraisers, dues, fees, and donations generated by the members of each individual club. You must be a club in good standing with Student Engagement to open a Club bank account.

Each Club must update EagleSync with all club officers including titles, email address and phone numbers. If any of your officers' change during the school year, please update their information in EagleSync.

Withdrawal title should be the club name and a short description on what the funds are for (i.e. Student Accounting-EOY BBQ). Fill out the EagleSync request form completely. If you need assistance with this you can stop by PUB 307, call, or email Student Accounting and we will be happy to walk you through the process.

CHECK REIMBURSEMENT:

- Complete request online in EagleSync.
- Upload the detailed receipts (Pizza must be detailed***) into EagleSync.
- The check can only be written for the total of the receipts.
- If one person has multiple receipts for reimbursements, they will be processed on one check.
- It is always a good idea to retain a copy of your receipts for your records.
- If Gift Cards were purchased, you will need to fill out a "Gift Card Winner" log located on the Student Accounting Website.

*** A detailed receipt includes, who you made the purchased from, each item you purchased, the total amount of the purchase and the total amount you paid. The credit card receipt can accompany the detailed receipt if there was a tip added.

TRANSFER REQUESTS:

When multiple clubs are working on joint projects and each has a club bank account, funds can be transferred from one account to the other. Please send your request via email to dhartman2@ewu.edu. Please include the following:

- Where are the funds being transferred from?
- Who are the funds being transferred to?
- What are the funds being transferred for?
- The amount of the funds being transferred.

APPROPRIATE USE GUIDELINES:

Club bank accounts are like a checking account for your club. You must be aware of your balance before requesting payment or funds.

- Larger requests will be reviewed and may require a purchase order. Purchase orders may take up to three weeks to process so plan ahead.
- Student Accounting has a University Corporate credit card that can be used for some purchases. Always check with our office before all purchases.
- There are certain items that must be purchased from specific vendors so always check with the Student Accounting office first.
- In addition, this office has open purchase orders with some local vendors for the students use.
- A request to **pay for services (a performer, a disc jockey, etc.)** will need to be processed on a Memorandum of Agreement (MOA) which provides a contract and liability protection for the University. Student Accounting will complete the MOA with your assistance. This process can take some time as the Vendor needs to sign and return the MOA then it is processed through Purchasing before being sent to Accounts Payable for a check to be cut. Plan on between two to four weeks for this process to be complete.

DEPOSITS:

Deposits into the club bank account can be made in person or you can mail your deposit to Student Accounting. You can find additional information on our website. In person deposit slips can be found in PUB 307. Mail in deposit slips can be found on the Student Accounting website.

- Deposit slips are used to process club funded deposits to assure the funds are put into the proper club account.
- You will need to fill out a deposit slip every time you make a deposit. Always note the purpose of the funds i.e. fundraiser, dues. You can put multiple deposit types on one deposit if there is a good description and breakdown of each.
- When depositing checks make sure they are made out to EWU with your club/organization name, for example (EWU Motorsport).

We are all ultimately responsible to the Auditors and we need to be able to show a good “paper trail” on all the money and receipts for purchases from Club Funded Bank Accounts.

PLEASE NOTE THAT YOUR ACCOUNT CAN BE FROZEN IF PROCEDURES ARE NOT FOLLOWED INCLUDING OUTSTANDING RECEIPTS.

- **Voiding Checks:** If you need to void a check you must return the check back to Student Accounting office. Never tear it up. We must retain the original check for our files for audit purposes.
