

Open Forum/House Spokane Campus (April 24, 25 & 27, 2017)

Strengths

- Low cost of living
- Location
- Faculty, staff and admin feel accessible and open
- Excellent facilities
- Counseling on campus
- Inter-professional potential - 2
- Art sculptures + outdoor seating
- Excellent cadaver lab
- Great faculty and staff
- Rockwood student health plan
- Cost of living low
- Close to downtown
- Great value! (EWU)
- On the bus line!

- Title IX is awesome!
- Tuition Prices - 3
- Bus pass - 4
- Campus security availability
- SAC lobby activities always going on
- Nissla, autism/ALS etc. speakers - 2
- MBA program prices
- Personal connection with professors

Weaknesses

- Inter-professional collaboration
- Access to fitness resources in Spokane - 7
 - Paying for EWU rec center - 2
 - No fitness center - 4
- Maintaining environmentally friendly campus
- High PUB remodeling fee for people about to graduate
- Need more private study areas
- More printing/computer access
- Lack of access to McGraw Hill E-Text after you pass the class
- Classrooms w/o windows
- Storage
- Events/clubs
- No transfer student on-boarding
- Better access to printing
- Lack of depth in addressing equity and inclusion topics within curriculum
- Final schedule conflicts. During finals week Cheney classes shift their final times; however, Spokane EWU classes do not. I had a night class at Spokane at 6pm and Cheney class 2-4pm. During Finals week the Cheney final was scheduled for 3:30-5:50pm. Spokane final started at 6pm.

- Advising - 5
- No childcare on Spokane campus - 3

Open Forum/House Spokane Campus (April 24, 25 & 27, 2017)

- No free parking on weekends - 2
- High out of state tuition
- No changing tables in bathrooms
- No good way to walk from south/green parking (on river) to HSB)
- Programs don't collaborate enough - nobody knows what each other does
- EWU & WSU student body separations - unequal opportunities - 1
- Spokane campus needs its own associated student body

Opportunities

- New Clinic
- Research - clinical settings
- Resource information seminar for transfer students
- Walk in tutoring lab
- Community partnerships - serving diverse and low income communities in long-term partnerships
- Collaborate w/WSU medical school
- Social media
- STHC PT/OT involvement? SLP
- Fitness/gym
 - YMCA discount like WSU
 - Remove Spokane students from Cheney rec center fee
- Outreach/volunteer options
 - Community partnership - have HECO (Health Equity...) present to departments
- New clinic
- Electives?
- Inter-professional classes
- Research - clinical settings, clinical case studies
- Inter-professional events

- Self-defense courses on Spokane campus
- Adult education
- CEU
- Community partnerships via Center for Entrepreneurship
- More 5 hour 1 day a week classes vs. 1 hour 5 day a week classes
- Spokane campus needs its own associated body
- Program collaboration
- Use flex \$ for food - 2

Threats

- Dimly lit areas on both campuses
 - N. 11th St.; all streets perpendicular to college St in Cheney
- More busses to Cheney in the evening/night
 - Riverpoint classes run late, dangerous for students
 - People seem to think there's not diversity here, so it's not a priority
- Winter weather dangers & not cancelling class when we live far (inconsistency between EWU and SWU) - 2
