

College Spark—Successful Transitions to College

Toolkit Item Cover Sheet

Describe the toolkit item. What is it? (lesson study, case study, created curriculum, etc...)

In what ways does this toolkit item assist in reducing the need for developmental courses at the college level and increasing student success in first-year credit bearing college courses?

What pedagogical and disciplinary research/evidence supports the inclusion of this item in the toolkit?

How did members of your cohort use this item in your classrooms? What was the assessment process and any associated outcomes? What were your “lessons learned” and how would you suggest others use it?
