**Attendees:** Full project team

**Location:** Nursing Building, Room 205.  
 Riverpoint Campus  
 412 E Spokane Falls Blvd,  
 Spokane, WA

**Meeting Objectives**

1. Cohorts present work to date on their tool or intervention to colleagues and receive feedback
2. Cohorts clarify and define next steps for work to be completed between Fall and Winter convenings
3. Cohorts will hear about strategies for collecting data and measuring the success of their interventions.
4. Cohorts have an opportunity to work with their members to define their implementation and measurement plans.

**Please prepare for this convening by completing the following:**

1. **Cohort Meeting(s).** Meet with your cohort at least once to prepare a presentation for your colleagues on October 17 about your planned intervention/tool and how you plan to implement.
2. **Poster Presentation.** Please complete the poster presentation template on Canvas no later than October 1. The purpose of the poster to provide your colleagues with more detail on your problem of practice, the research that informs that problem, the tool or intervention you're planning on creating, and some high level plans for implementation. EWU team leaders will print your overview on poster paper prior to the meeting and post the plans around the room for sharing and discussion. Please submit one poster per cohort.
3. **Tool/Intervention Presentation.** Please prepare a brief (5-minute) presentation on the tool or intervention you are planning to create, develop, or adapt to help achieve your problem of practice and the next steps you plan to take to implement.
